  - King Street Urban Green Project, City of Santa Ana

# CLEAN CALIFORNIA

District 12 Status Report: July 1, 2021 to June 30, 2023

## Cleanup and Beautification

- **Litter Collection:** 83,799 cubic yards of litter collected in Orange County since the start of Clean CA, compared to 32,158 cubic yards prior to Clean CA (260% performance increase).
- **Graffiti removal:** 347,955 sq ft of graffiti removed, compared to 201,822 sq ft prior to Clean CA.

## Free Dump Days and Paper Shredding Events

- **Events:** 27 Free Dump Days and/or Paper Shredding events held in Orange County. More than 13,000 cubic yards removed, including mattresses, appliances, etc. Developed partnerships with Goodwill and My E-waste Dropoff to collect all electronic waste and to divert gently used items from reaching the landfill.
- **Locations:** Events held in Buena Park, Costa Mesa, Brea, Lake Forest, Fullerton, Huntington Beach, Irvine, Orange, Placentia, Rancho Santa Margarita, Santa Ana, Seal Beach, Silverado, and Tustin.

## Adopt-A-Highway

- **178 Highway Adoptions:** 84% increase in adoptions and 1,207 cubic yards of highway litter removed since the beginning of the Clean CA program. A GIS map was created to enable the general public to easily identify adoptable site locations.

## Job Creation

- **Total Hires:** 44 out of 44 field positions filled.
- **Butte County Office of Education Back 2 Work program:**
  - Contract amendment for 100 statewide crews for \$149.6M was fully executed on July 28, 2022.
  - 8 full-time Clean California Back 2 Work litter crews are active in Orange County.

## Maintenance Agreements

- **5 Clean California Maintenance Agreements** were approved to pay Cities for Litter and/or Graffiti removal covering portions of SR-1, SR-39, SR-55, SR-57, SR-90, SR-91, SR-73, SR-133, I-5, and I-405.
