Job Title President & CEO

Employer Name Sully Miller Contracting, wholly owned

From: 01/01/1994 To: 01/01/1999

	Duties/Projects	Begin Date	End Date
1	While in this position I was responsible for redefining and developing the objectives for the company. He was also responsible for the integration of a newly acquired construction company into the organization. He was instrumental in recruiting and developing a management staff as well as field supervision capable of maintaining profitability while increasing sales of the company by more than two and a half times to \$120 million. Finally, Mr. McCracken coordinated the presentation and sale of the company in 1998 by Hanson, plc.	01/01/1994	01/01/1998
2	Mr. McCracken then assumed the position of Vice President, Heavy Highway for Ghilotti Brothers Inc., San Rafael, California. During this period, he was responsible for over \$100 million in active contracts at any one time, including both public and private projects. He was responsible for selection of projects to bid, bid reviews, equipment selection, overview of project operations, cost control and preparation and negotiations of construction claims.	01/01/1987	01/01/1994

CEM-6220 (NEW 05/2019)

3	During this period, Mr. McCracken was employed by the firm of Ball, Ball and Brosamer, Inc., Danville, CA. His responsibilities within the firm ranged from Project Manager, Senior Estimator, to Project Sponsor (Operations Manager) for a firm specializing mass excavation, concrete slip form paving for canals, highways and airports along with associated heavy concrete structure work. During the period, the company completed a very significant portion of the more than \$1.0 billion Central Arizona Project canal system. During the last two and a half years with the firm, Mr. McCracken covered the seven western states as Project Sponsor (Operation Manager) on a large portion of the company's projects.	01/01/1976	01/01/1987
D			
4	At this time, Mr. McCracken entered the construction industry in the area of highway and freeway construction with Guy F. Atkinson Co., South San Francisco, California where he advanced to the position of project manager in 1968. He was involved in the construction of more than \$50 million in then current dollars throughout California. The projects ranged in scope from major excavation projects to a 25-mile long grading and concrete paving project to a four level freeway to freeway interchange. Subsequently, with the joint venture of C. M. Syar and Pacific Construction Corp., Vallejo, CA., he spent the period from 1973 to 1976 as Project Manager/ Area Manager managing several concurrent freeway projects as well as significant site development projects including the Anheuser Busch Brewery in Fairfield, CA.	01/01/1964	01/01/1976
5	After graduation from the University of Maine in 1959 and a six-month tour of duty in the U.S. Army, his early professional experience included right of way engineering, survey party chief and hydraulic and structural design for the State of California, Department of Water Resources on the California Aqueduct System.	01/01/1960	01/01/1964
