+

Current Job Title      Commercial Project Manager      Begin Date: 07/24/2023  
 Employer Name      Channelside Water Resources, LP  
 Duties/Projects:

1 Mr. Ballard serves as Channelside’s Commercial Management executive wearing many hats in leading Construction Commercial Operations, Construction Contract Management, Construction Contract Change Management, Construction Operations Mangement, Document Control Management, Project Budget Development, Legal and Professional Consultant Cost Tracking and Management, Legal and Risk Assessment Management. His role includes leading the above management operations while focused on leading the Construction Commercial Operations and all Permitting Matters for Channelside’s two on-going 3P Capital Projects:

1) The \$120M Otay River Estuary Restoration Project (ORERP) at the south end of San Diego Bay – The Project is the revitalization and restoration of 125 acres of coastal wetlands and upland habitats within the San Diego Bay National Wildlife Refuge for the benefit of native fish, migratory birds, and other coastal dependent species as required of Channelside by the California Coastal Commission to mitigate environmental impacts due to the construction and operation of the Ocean Water Reverse Osmosis Claude “Bud” Lewis Carlsbad Desalination Plant in Carlsbad, CA.

2) The \$200M Intake II Project to Upgrade the Ocean Water intakes for the Ocean Water Reverse Osmosis Claude “Bud” Lewis Carlsbad Desalination Plant in Carlsbad, CA – The largest seawater reverse osmosis desalination plant in the Western Hemisphere, providing 50 million gallons of potable water per day to the San Diego County Water Authority (SDCWA), representing 10% of all Potable Water for San Diego County, CA.
