

District 12 Outreach Event – 12NEWC03-22 Q&A (12/12/2022)

Question 1: Is Caltrans planning to advertise a separate contract for “structure” construction engineering/inspection of this project? What is the status?

Yes, it will be posted on the LAR.

Question 2: Who is the incumbent for this contract?

This is a new contract procurement.

Question 3: This presentation will be made available after this call?

Yes, it will be posted on the DPAC website.

Question 4: You had mentioned that electrical inspection services will be excluded from this procurement; although there are electrical/fiber optics scope of work in Kelsey’s slide. So, will Caltrans provide any resources for that scope of work?

Yes, we will provide resources.

Question 5: Caltrans will be providing all construction staking?

Yes, Caltrans will providing all construction staking.

Question 6: Will there a separate A&E structure contract for the 241/91 contract?

Yes, and separate Outreach event as well.

Question 7: Is a DBE sub only allowed for construction, or can the sub be allowed to be part of the A&E team?

No, they may not, you cannot inspect your own work.
