Re: Public Transportation Modernization, Improvement and Service Enhancement Account

Pursuant to Government Code section 8879.55, the State Controller's Office (SCO) is required to provide a schedule of eligible entities and to calculate the amount of funds each is available to receive from the Public Transportation Modernization, Improvement and Service Enhancement Account (PTMISEA) upon appropriation of the Legislature. Attached is a schedule that provides the estimated amounts available from the remaining 2008-09 and 2009-10 fiscal year appropriations.

Government Code section 8879.55 requires that funds made available, upon appropriation of the Legislature, from the PTMISEA be allocated to agencies and transit operators eligible to receive State Transit Assistance funds pursuant to sections 99313 and 99314 of the Public Utility Code. The SCO is providing detailed schedules of the Government Code section 8879.55(a)(3) eligible amounts for the entities eligible pursuant to Public Utility Code section 99314. Since the detail for Public Utility Code section 99313 allocations is not reported to the Controller's Office, the SCO is only able to provide eligible amounts for each county for Government Code section 8879.55(a)(2). From the Government Code section 8879.55(a)(2) eligible amount listed, the county transportation commissions will be responsible for calculating eligible amounts for each project sponsor under their authority.

The amount of funds for Government Code section 8879.55 approved by the Governor in the State Budget is \$17,400,000. All estimated amounts will be reduced due to interest on a Pooled Money Investment Account Loan and State administrative charges. These amounts are unknown at this time. The SCO will make allocations after receiving, on a biannual basis, a list of approved project sponsors eligible to receive an allocation from the account determined by the Department of Transportation (DOT) pursuant to Government Code section 8879.55(d). For further information on the amounts determined by the DOT, please refer to the PTMISEA expenditure plan of the remaining funds available at <http://www.dot.ca.gov/hq/MassTrans/Proposition-1B.html> or contact Wendy King at (916) 651-8239.
