FOR IMMEDIATE RELEASE

UPDATE #2

GAS LINE INSTALLATION PROJECT ALONG HIGHWAY 1 IN PISMO BEACH CONTINUES

SAN LUIS OBISPO COUNTY – A project to install new gas lines beneath State Route 1 (Dolliver Street) from Price Street to Mattie Road will require one-way reversing traffic control on **Tuesday, April 26 and Wednesday, April 27 from 8 am until 4 pm.**

This traffic control is necessary for the installation of a feeder gas line which will require excavation work on State Route 1 just south of Mattie Road.

Electronic message boards will be activated to inform the public of this project.

This gas line project is being performed by the Southern California Gas Company, under permit from Caltrans. It is expected to be complete next month, weather permitting.

Caltrans reminds motorists to move over and slow down when driving through highway construction zones.

For traffic updates on other state highways in San Luis Obispo County, motorists can call Caltrans District 5 Public Affairs at (805) 549-3318 or visit the District 5 website at: http://www.dot.ca.gov/dist05/road_information.htm
