Dear Mr. Heermance:

The Department of Transportation (Caltrans) received a bid submitted by Crosstown Electrical & Data, Inc. (Crosstown) for Contract No. 07-3X9204 on October 30, 2014. By this letter, Caltrans notifies Crosstown that its bid is nonresponsive since Crosstown did not comply with Contract Revised Standard Specifications, Section 2-1.33, BID DOCUMENT COMPLETION AND SUBMITTAL of the 2010 Standard Specifications which states in part:

"Submit written confirmation from each DBE shown on the form stating that it will be participating in the Contract. Include confirmation with the DBE commitment form. A copy of a DBE's quote will serve as a written confirmation that the DBE will be participating in the contract. If you do not submit the DBE commitment form by the specified time, your bid is nonresponsive."

Crosstown failed to submit written confirmation from each DBE shown on DBE Commitment form by 4:00 p.m. on the 4th business day after bid opening.

Based on the above, Caltrans will proceed to award this contract to the lowest responsible bidder, provided that all requirements have been met.

Your attention is directed to Section 3-1.04 of the 2010 Standard Specifications. Caltrans is not obligated to offer an extension of the award period for a nonresponsive bid. Should you wish to extend your bid while resolving a nonresponsive finding, you must send your request to the Office Engineer no later than 4:00 p.m., two business days prior to the expiration of your bid.

If you have any questions, please contact Mulissa Smith, Contract Awards Branch Chief, at (916) 227-6228.

Sincerely,

A handwritten signature in black ink, appearing to be "John C. McMillan".
