May 29, 2014 Department Letter for Non Responsive Bid

Dear Mr. McMillan,

I am in receipt of and have reviewed the Department correspondence dated May 29, 2014.

The letter states that the bid submitted by West Coast Structures in nonresponsive since Western Structures did not comply and submit its Certified DVBE Summary in a timely manner.

Western Structures is a DVBE contractor, the certified DVBE summary, footnote 1 certification reference number entered, was submitted with our bid package May 15, 2014.

The Department bid results that are posted on line clearly show our Certified DVBE Summary as an inclusion of Western Structures submitted bid package.

I ask that the Department further review and confirm this and immediately rescind its non responsive bid letter with written confirmation to Western Structures.

Feel free to contact me with any questions or for further clarification.

Respectfully,

Brian M. Skajem
