

Potential Available Material From Property Owners

The owners of certain property adjacent to and outside the proposed right-of-way have expressed an interest in making their soil available once grading operations begin on Contract No. 11-056324. Any contractor choosing to bid the job using such soil is solely responsible for determining that the soil is suitable for the work. Any agreement for the use of such soil shall be between the contractor and the property owner. The Department does not endorse the use of soil offered by adjacent property owners, and is not responsible for the quality of the material or the results of its use.
