Loc. Code 5708

From: Harwell Ontoy
Project Manager Lands & Buildings
Maintenance

Subject: **Construction Water Availability for new Caltrans El Centro Sub-Shop**

To Whom It May Concern,

Current construction of the El Centro Maintenance Facility at 1102 Montenegro Way has established a waterline connection to the City Of El Centro. Therefore, the State will be providing their own water for the construction of the El Centro Sub-Shop.

Sincerely,

Harwell M. Ontoy
Project Manager Lands & Buildings
