95	<ul style="list-style-type: none"> <li>• STIP Amendment 02S-17</li> </ul> <p>Reduces the construction cost of Route 118 widening project (PPNO 1238J) in Ventura County programmed in FY 2003-04 with Regional Improvement Program (RIP) funds from \$42,910,000 to \$38,410,000 due to cost savings, creating \$4,500,000 in programming capacity in the first three years of the 2002 State Transportation Improvement Program (STIP). The amendment utilizes \$2,583,000 of this programming capacity to advance the RIP funds on the following projects in Ventura County from FY 2006-07 to FY 2002-03: 1) \$425,000 programmed for Construction of Route 101 Soundwall project between Snow Avenue to Jardin Drive (PPNO 3138); 2) \$9,000 programmed for Right of Way and \$1,680,000 of the \$2,872,000 programmed for Construction of Route 101 Soundwall project between Lynn Road to Wendy Drive (PPNO 3141), and 3) \$469,000 of the \$907,000 programmed for construction of the Soundwall project on Route 126 between East Main Street and South Hill Road (PPNO 3140). The remaining \$438,000 of construction programmed on this project is reverted to Ventura County Shares. The amendment also deletes \$12,000 from PPNO 3138 and \$4,000 from PPNO 3140, both RIP funds programmed in FY 2006-07 for Right of Way, and reverts these funds to the Ventura County Shares. This amendment also reduces programming on four IIP funded projects resulting in a total available programming capacity of \$1,700,000. The remaining \$1,900,000 in programming capacity needed to fund Statewide Development of Carsharing is made available to the Department through STIP Amendment 02S-017 under 2.1b.(6).
